We are glad that you and your child have chosen to take part in our marching band, kickline, or color guard. As you may already know this groups fine performances do not just happen without a lot of hard work on the part of your student. But you may not realize all the hard work that goes on behind the scenes. Without your support, these three groups cannot succeed. The Butler Performing Arts Association is the driving force behind the band, kickline and color guard. The funds raised by BPAA allows these groups to operate. Below you will see the many ways you will support your student this year. You will also see the additional ways you can make a difference. Please take a moment to go over the list and decide where you can help out. If everyone pitches in a few hours a month, no one will feel the load. You'll be part of the success, and its rewards will last a lifetime for both you and your child.

Expected contributions

1. Support your student through encouragement and attend as many events as possible. When students see your interest, their motivation is increased.
2. Expect students to practice and attend all rehearsals outside of school hours.
3. Donate water and snacks to be used for Air Show and Band Camp.
4. Each student and a family member will volunteer at the Air Show selling programs.
5. Each family will work two fall concession events and one spring concession event
6. Contribute a needed item to the Kickline Invitational dance competition in March.
7. Parent and student volunteers will also be needed for the Kickline Invitational in March.
